The Employer Brand Management Awards is the must-win awards programme for any organisation keen to benchmark its employer brand activity.

Since the programme launched, perceptions and conversations around employer brand have continued to evolve. A strong employer brand is seen as the beating heart of many organisations. The employer brand goes beyond fancy recruitment adverts; it is an intrinsic part of the ethos and ethics of an organisation. If utilised well, it attracts, engages and retains talent. It also, importantly, instigates the employee experience and guides the employee journey.

The Employer Brand Management Awards compares and contrasts the different aspects of successful employer branding, rewarding excellence and celebrating the campaigns and the organisations that are excelling in this field. With over 20 categories to enter, including our 'Best employer brand management by sector', now is the time to prove that your employer brand stands out amongst your peers.

The Employer Brand Management Awards welcomes entries from any private sector company, public sector organisation, creative agency or individual who has helped develop or apply a successful employer brand.

## Engage your employees

A positive brand experience can foster a positive culture, improve talent acquisition and develop employee retention strategies.

## Develop advocacy and trust

## Improve campaign performance

## 1. Entry summary

Please provide a short 300 word summary of your entry that includes:

- Details of the category you are entering into\*
- A brief description of the organisation and what they do
- A synopsis of the work
- The project's relevance to the category it is being entered into
- Industry context – what is the company's place within the market?
- Budget (optional)
- If you are entering Best employer brand management by sector category, you should explain why you are the employer of choice amongst your peers and how your employer brand stands out within your sector to those you hope to attract, engage and retain.

\*If you feel this work is a perfect candidate and strong contender for more than one category, the summary should be tailored accordingly.

**Note:** We advise that the submission includes a guide on the project brief, budget and time frame to help put the project into context for the judges.

## 2. Entry statement

Write a project summary statement of no more than 800 words. The statement should cover objectives, the research and planning behind the submission, the creativity and innovation, strategy and implementation, and results.

Below in this guide you will find useful questions to consider when writing your entry statement.

The judges will be scoring on these components (objective, research and planning, creativity and innovation, strategy and implementation and results) so it is important to ensure you cover these areas clearly and effectively within your entries.

## Objective

What were the goals/targets?  
What did you want to achieve?  
Why were the objectives necessary?  
What catalysts prompted the project/campaign to be carried out?  
What was the brief? (optional)

## Research and planning

What research was conducted?  
How did it represent the target audience?  
Did the research expose any problems or additional challenges?  
Were changes needed to meet the objectives?

## Creativity and innovation

How was your employer brand management solution interesting/different/unique?

## Strategy and implementation

How was the research incorporated into the strategy?  
How did the project reach its target audience?  
How was the strategy implemented?  
Were there any unexpected problems or unforeseen circumstances?

## Results

How did you meet your objectives?  
Were there any unexpected outcomes?  
What was the ROI?  
Is there any evidence to support the outcomes?  
How was the project received internally?

**Note:** Where the submission is project or campaign based, please include a guide on the project brief, budget and timeframe to help put the project into context for the judges.

The most successful entries relate their results back to the original objectives. Although statistics can be impressive, do not force them into the submission if they are not relevant to the brief.

## Areas for consideration to include in any sector entries

Has anything happened in the past 18-months which would affect/challenge the company?  
Where there any challenges on your sector and what were the strategies implemented to respond to them  
What are the organisation's areas of strength  
Company-wide CSR initiatives  
Learning and development opportunities  
Reward and recognition programmes/incentives

## 3. Supporting materials

Including supporting materials strengthens your entry by providing evidence of your achievements. Materials should illustrate your work and aid the narrative of your entry statement. It is best to include only those materials that are directly relevant to the specific category.

- Images illustrating the project or campaign
- Press coverage (up to five examples)
- Social coverage (up to five examples)
- Video (up to three minutes, please include a link in the entry rather than sending the video file)
- Statistics: any relevant statistics (optional)
- Client feedback
- Testimonials

**Note:** We do not accept video files, so please include links within your entry pdf (with log in details if necessary.) Please ensure there are no expiration dates on video links.

**What is the time frame for eligible work?****Can I enter work from last year?**

The time frame for eligible work is ordinarily 18 months prior to the final deadline. Please refer to the *eligibility and rules* section on the Employer Brand Management Awards *website* for more details and specific dates.

**Can I enter more than one category?****If so, do I need to submit more than one PDF?**

There is no limit to the number of categories that can be entered. If multiple categories are being entered, multiple PDFs must be submitted. As our entry form only allows one PDF to be entered at a time, you will need to go back and resubmit the form, making sure to change the category field. Although not compulsory, we strongly recommend tailoring each submission according to the category being entered.

**I'm not sure which category to enter.****How shall I decide?**

If you are struggling to categorise your project, please email Melanie at [melanie.han@cravenhillpublishing.com](mailto:melanie.han@cravenhillpublishing.com)

**How can I ensure that budgets disclosed on the entry will remain confidential?**

Don't worry – as long as you clearly mark the entry where relevant letting us know that you do not wish information on certain budgets (or any other information) to be shared, we will ensure that all such information is kept strictly confidential.

**Is it ok if the word count is exceeded?**

The word count is set as a guide, and exceeding it slightly will not be penalised. However, considering the volume of materials read by the judges, a more concise and collected approach to ensure your entry stands out is advised.

**How should I include my supporting materials?**

All supporting materials should be included within the document. Please hyperlink your videos in your PDF entry, rather than embedding the video. Embedded videos can often increase the size of your entry above the 10MB limit. Besides the supporting materials included within your entry, no other separate materials are required.

### **Can I only include images in the supporting materials section?**

Your submission can be designed and branded as you wish. Previous submissions have included imagery alongside the entry summary and statement to add to the entry narrative. At the end of the entry, further imagery can be included in the supporting materials section to showcase the project. We ask that you limit the pages of images, as our judges have a large number of submissions to go through, so be concise, clear and make sure what you are sharing is relevant.

### **On the 'Enter now' section of the website, what is the difference between the fields 'company' and 'entering company?'**

Often, agencies enter their clients into our awards (i.e. company = agency, entering company = client). If this does not apply to you and you are entering independently, simply fill in both fields with your company name.

### **Can previous entries be sent to potential entrants?**

As per our rules section on the *Employer Brand Management Awards website*, we cannot send out previous entries as they may contain sensitive and/or confidential material and figures that cannot be disclosed.

### **Is there a cost to enter?**

Yes. Rates are available on the *Fees and payments page* on the Employer Brand Management Awards website. There are also discounted rates available for charities and an early entry discount for those who enter before a certain date.

### **Why won't my entry send?**

Please ensure that the document format is PDF. If you are receiving an error message telling you that supporting materials are required, you have exceeded the 10MB size limit. If your entry is within the size limit but you are still receiving that error message, contact our office on +44 (0)20 3950 5356.

**How do I pay for my entries?**

After you submit your entry, you will be prompted to pay via PayPal (owning an account is not necessary to complete payment).

If an alternative payment method is preferred, please contact our office on +44 (0)20 3950 5356 of our team can explain other payment options.

**I want to enter more entries at a later date, how do I get the reduced entry cost?**

Entries submitted at a later date are charged at the additional entry cost, however, please note that our payment gateway will not bring up this rate. Please call the team on +44 (0)20 3950 5356 to pay by card over the phone (we do not accept AMEX over the phone) or let us know if you would like to be invoiced.

**Can't find the answer to your question?**
